GREETINGS FROM THE GOVERNOR

February 2011

Welcome to the first annual F.A.S.T. for Kids Gala at the Las Vegas Hilton! As Governor of Nevada, it is my distinct pleasure to welcome each and every one of you to this incredibly special event. As I am sure you are all well aware, I have a very vested interest in Nevada education. I am especially eager to provide for our students who have special needs, such as the students you serve at F.A.S.T.

Today you are recognizing individuals within your organization as well as the success of your organization. Your organization and individuals within it elicit key qualities in providing individualized attention to students who are autistic in Southern Nevada. Regardless of background, you seek to serve our students who need such care the most. The care and devotion that you provide enables the children to become strong and unique individuals who can eventually give back in various ways to F.A.S.T. as well as the state of Nevada.

Thank you for all the work that you do as an organization in serving the children of Southern Nevada. I also wish to commend those who have worked so hard in putting this wonderful event together.

Sincere regards,

BRIAN SANDOVAL
Governor
